CIVIL ACTION NO.: 1:08-CV-33-MHT

SPECIAL REPORT AND ANSWER

Come now defendants, **Commander Keith Reed, Sergeant Carl Kirksey, and Sergeant Cindy Buchmann**, in the above styled cause and for Answer to plaintiff's Complaint, state as follows:

1. As to Paragraph 1 of plaintiff's Complaint, defendants assert that at this time they are without personal knowledge or information sufficient to form a belief as to the truth of the averments.

2. As to Paragraph 2 of plaintiff's Complaint, defendants assert that at this time they are without personal knowledge or information sufficient to form a belief as to the truth of the averments.

3. As to Paragraph 3 of plaintiff's Complaint, defendants deny that the constitutional rights of plaintiff have been violated and demand strict proof thereof.

4. As to Paragraph 4 of plaintiff's Complaint, defendants deny that plaintiff's constitutional rights have been violated at any time.

5. As to Paragraph 5 of plaintiff's Complaint, defendants deny that plaintiff's Constitutional rights have been violated. Defendant asserts that while in the Houston County Jail, plaintiff has never been wrongly deprived of a right protected by the United States Constitution and the court decisions interpretive thereof. For more complete factual information regarding plaintiff's Complaint and defendants' response thereto, please refer to the **Affidavits of Sergeant Cindy Buchmann, Sergeant Carl Kirksey, and Commander Keith Reed** (Exhibits "1", "2" and "3" respectively).

6. As to Paragraph 6 of plaintiff's Complaint, defendants assert that the plaintiff is not entitled to any relief from this Court as there has been no violation, constitutional or otherwise.

AFFIRMATIVE AND ADDITIONAL DEFENSES

FIRST DEFENSE

Plaintiff's Complaint and the claims therein, or alternatively portions thereof, fail to state a claim upon which relief can be granted.

SECOND DEFENSE

Any allegations of plaintiff's Complaint not explicitly admitted herein are denied and strict proof is demanded to support such allegations.

THIRD DEFENSE

The plaintiff's Complaint alleges claims for declaratory and injunctive relief which said claims are now moot as the plaintiff is no longer incarcerated in the Houston County Jail. The

plaintiff was taken into the State of Alabama prison system on or about February 6, 2008.

FOURTH DEFENSE

That the plaintiff's claims involve declaratory and injunctive relief. Because the plaintiff is no longer incarcerated in the Houston County Jail, said claims are moot and this case is due to be dismissed. *See County of Los Angeles v. Davis*, 440 U.S. 625 (1979); *Cotterall v. Paul*, 755 F.2d 777 (11th Cir. 1985).

FIFTH DEFENSE

Should the plaintiff's complaint be construed to claim punitive damages, Plaintiff is not entitled to any award of punitive damages should this Complaint be construed to request them.

SIXTH DEFENSE

Defendants are immune from punitive damages under *42 U.S.C. § 1983 and 42 U.S.C. § 1985*.

SEVENTH DEFENSE

Plaintiff is not entitled to any relief requested in the Complaint.

EIGHTH DEFENSE

There is no causal relation between the acts of the defendants and any injury or damage allegedly suffered by the plaintiff.

NINTH DEFENSE

Defendants affirmatively aver that all of their actions were taken in good faith. Plaintiff cannot recover based upon plaintiff's conclusory, unsupported, bareboned and vague allegations against defendants as they are unsupported by fact or law.

TENTH DEFENSE

The allegations contained in plaintiff's Complaint against the defendants, sued in their individual capacity, fail to comply with the heightened specificity requirement of Rule 8 in § 1983 cases against persons sued in their individual capacities. See Oladeinde v. City of Birmingham, 963 F.2d 1481, 1485 (11th Cir. 1992); Arnold v. Board of Educ. of Escambia County, 880 F.2d 305, 309 (11th Cir. 1989).

ELEVENTH DEFENSE

Defendants affirmatively deny any and all alleged claims by the plaintiff concerning his alleged deprivation of civil rights.

TWELFTH DEFENSE

Should the plaintiff's Complaint be construed to state claims under Alabama law, all state claims against defendants in their official capacity are barred because the Eleventh Amendment to the United States Constitution prohibits federal courts from hearing state law claims against state officials under the Doctrine of Pendant Jurisdiction. Pennhurst State School and Hospital v. Halderman, 465 U.S. 89, 117-121 (1984).

THIRTEENTH DEFENSE

All federal claims against defendants in their official capacity are barred by the Eleventh Amendment of the United States Constitution. Pennhurst State School and Hospital v. Halderman, 465 U.S. 89, 104 S. Ct. 900, 79 L.Ed., 2d 67 (1984).

FOURTEENTH DEFENSE

In addition to defendants Eleventh Amendment argument, they further contend that they are not "persons" within the meaning of 42 U.S.C. § 1983. The plaintiff, by suing defendants in their

official capacity, is seeking damages from the State of Alabama. Neither a state, nor its officials, as sued in their official capacities are "persons" under 42 U.S.C. § 1983. Will v. Michigan Dept. of State Police, 109 S.Ct. 2304, 2312 (1989) and Hafer v. Melo, 502 U.S. 21, 22-23 (1991).

FIFTEENTH DEFENSE

Defendants assert the defense of qualified immunity. Further, defendants plead the privileges, qualified immunities, substantive immunities, state law immunities, absolute immunities, defenses and good faith immunities given to officers of the law, governmental entities or otherwise in the above styled cause. Defendants state that any action taken by them was made in good faith and in the performance of their duty as Sheriff, Deputy, Officer or Sheriff Department Employee of Houston County, Alabama.

SIXTEENTH DEFENSE

Defendants assert and plead the defense of substantive or state law immunity under the law of the State of Alabama.

SEVENTEENTH DEFENSE

Defendants assert and plead sovereign immunity provided by Alabama Constitution 1901, Article I, §14.

EIGHTEENTH DEFENSE

Defendants assert that the allegations within the Complaint and the facts as will be developed are insufficient to invoke the jurisdiction of this Court.

NINETEENTH DEFENSE

Plaintiff's Complaint does not allege a violation of rights secured by the United States

Constitution.

TWENTIETH DEFENSE

Defendants plead and assert the statutory immunity provided by Act of the Alabama Legislature, designated as *Act Number 94-640*, effective April 26, 1994, and Codified as *Ala. Code* § 6-5-338, which provides absolute immunity to all peace officers and governmental units.

TWENTY-FIRST DEFENSE

That the plaintiff has failed to exhaust his administrative remedies as mandated by the Prison Litigation Reform Act amendment to 42 U.S.C. § 1997e(a). Specifically, plaintiff has filed this lawsuit against defendants who are state officers without first exhausting his administrative remedies by filing a claim with and proceeding before the Alabama State Board of Adjustments as required by *Ala. Code* § 41-9-60; and plaintiff has failed to properly pursue the administrative remedies available to him in the Houston County Jail by virtue of the grievances procedures provided to the inmates therein.

TWENTY-SECOND DEFENSE

The PLRA requires exhaustion of available administrative remedies before the plaintiff can seek relief in federal court on a 42 U.S.C. § 1983 complaint. Specifically, 42 U.S.C. § 1997e(a) directs that “[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted.” “Congress has provided in § 1997(e)(a) that an inmate must exhaust irrespective of the forms of relief sought and offered through administrative remedies.” Booth v. Churner, 532 U.S. 731, 741 n.6 (2001).

TWENTY-THIRD DEFENSE

“[T]he PLRA’s exhaustion requirement applies to all inmate suits about prison life, whether they involve general circumstances or particular episodes, and whether they allege excessive force or some other wrong.” Proter v. Nussle, 534 U.S. 516, 532 (2002).

TWENTY-FOURTH DEFENSE

Exhaustion of all available administrative remedies is a precondition to litigation and a federal court cannot waive the exhaustion requirement. Booth v. Churner, 532 U.S. 731, 741 n.6 (2001); Woodford v. Ngo, _____ U.S. _____, 126 S.Ct. 2378 (2006). Moreover, “the PLRA exhaustion requirement requires *proper exhaustion*.” *Ngo*, 126 S.Ct. At 2387 (emphasis added).

TWENTY-FIFTH DEFENSE

That the Prison Litigation Reform Act amendment to 42 U.S.C. §1997e(c) mandates the dismissal of plaintiff’s claims herein as this action is frivolous, malicious, fails to state a claim upon which relief can be granted or seeks money damages from defendants who are entitled to immunity.

TWENTY-SIXTH DEFENSE

That the plaintiff does not properly plead or otherwise specifically show a physical injury as required by 42 U.S.C. §1997e(e) which provides that

No Federal civil action may be brought by a prisoner confined in a jail, prison, or other correctional facility, for mental or emotional injury suffered while in custody without a prior showing of physical injury.

TWENTY-SEVENTH DEFENSE

That the plaintiff failed to comply with 28 U.S.C. §1915 with respect to the requirements and limitations inmates must follow in filing in forma paupers actions in federal court.

TWENTY-EIGHTH DEFENSE

That, pursuant to 28 U.S.C. §1915(f), plaintiff be required to make payment for all court costs in this matter in the same manner as provided for filing fees in 28 U.S.C. §1915(a)(2).

TWENTY-NINTH DEFENSE

Pursuant to 28 U.S.C. §1915A, this court is requested to screen and dismiss this case, as soon as possible, either before or after docketing, as this case is frivolous or malicious, fails to state a claim upon which relief may be granted, or seeks money damages from defendants who are state officers entitled to immunity. These same standards are continued and provided for in 42 U.S.C. §1997e(c).

THIRTIETH DEFENSE

Defendants are entitled to immunity under state law from any state law claims deemed to be asserted by the plaintiff. See Ex parte Thomas J. Purvis (re: Ackers v. Mobile County, et al.) 689 So.2d 794 (Ala. 1996) and Alexander v. Hatfield, 652 So.2d 1142 (1994).

THIRTY-FIRST DEFENSE

To the extent that plaintiff's claims are premised upon a *respondeat superior* theory, said claims are due to be dismissed because the plaintiff cannot recover for claims which are premised upon a *respondeat superior* theory. See White v. Birchfield, 582 So.2d 1085 (Ala. 1991); and Hardin v. Hayes, 957 F.2d 845 (11th Cir. 1992).

THIRTY-SECOND DEFENSE

The plaintiff cannot recover against defendants in this case because Alabama law provides sufficient due process remedies for the allegations made by plaintiff herein and such remedies are

constitutionally adequate.

THIRTY-THIRD DEFENSE

The Sheriff and his Corrections Officers are state officers. Under the Alabama Constitution of 1901, sheriffs are specifically designated as *state* executive officials. *Id.* § 112 (“The executive department shall consist of a governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, superintendent of education, commissioner of agriculture and industries, and a sheriff for each county.”) “[A]n Alabama Sheriff acts exclusively for the state rather than for the county in operating a county jail.” Turquitt v. Jefferson County, Ala., 137 F.3d 1285 (11th Cir. 1998) (en banc).

THIRTY-FOURTH DEFENSE

There was no policy or custom of the Sheriff that was executed by any employee of the Houston County Sheriff Department that caused any injury to the plaintiff.

THIRTY-FIFTH DEFENSE

Defendants assert that in the situation at bar, there was the potential for “violent confrontation and conflagration”. Defendants assert that in such situations a jail’s internal security is peculiarly a matter to be left to the discretion of jail administrators and should carry “special weight.” Defendants further assert that as jail administrators, they should “be accorded wide-ranging deference in the adoption and execution of policies and practices that in their judgment are needed to preserve internal order and discipline and to maintain institutional security.” Defendants contend that such deference should extend to the security measures taken in this case in response to the actual confrontation with the plaintiff “just as it does to prophylactic or preventive measures intended to

reduce the incidence of these or any other breaches of prison discipline. Whitley v. Albers, 475 U.S. 312, 322-323, 106 S.Ct. 1078, 1086 (1986).

THIRTY-SIXTH DEFENSE

Defendants assert that plaintiff's Complaint is frivolous and filed in bad faith solely for the purpose of harassment and intimidation and request this Court pursuant to 42 U.S.C. § 1988 to award defendants reasonable attorneys fees and costs incurred in the defense of this case.

Defendants respectfully request this court to treat this Special Report and Answer as Motion for Summary Judgment.

Respectfully submitted,

AFFIDAVIT

STATE OF ALABAMA,

HOUSTON COUNTY.

Before me, the undersigned authority for administering oaths, personally appeared **Carl Kirksey** who is a Corrections Officer serving as a Senior Corrections Officer with the Houston County Sheriff's Department, who being by me first duly sworn, deposes and says as follows:

My name is Carl Kirksey, and I am over the age of nineteen (19) years and a resident of Houston County, Alabama.

I am presently employed by the Houston County Sheriff's Department as a Corrections Officer serving as a Senior Corrections Officer and Shift Sergeant with the Houston County Sheriff's Department and was so employed at all times material to this lawsuit. My principal

duties involve the administration of the Houston County Jail. Unless otherwise indicted herein, expressly or by the context thereof, I have personal knowledge of the facts and information contained herein. I make this affidavit after a review of the plaintiff's jail inmate file and the subject matter of the plaintiff's complaint in an attempt to address the plaintiff's claims in this case.

On October 11, 2007, between 8:00 p.m. and 9:00 p.m., Corrections Officer Moon contacted me about the plaintiff's refusal to comply with direct orders from a Corrections Officer. According to the records, the plaintiff was not in his assigned cell which was cell H-6 in H-Pod. The term Pod is synonymous with cell block. According to jail records, when Corrections Officer Moon asked the plaintiff about this, the plaintiff stated, "they told me to move". The record reflects that when Corrections Officer Moon asked the plaintiff who "they" were, the plaintiff stated that he didn't know. Corrections Officer Moon then instructed the plaintiff to move back to his correct bunk and cell assignment. The records also reflect that the plaintiff became argumentative. At approximately 8:20 p.m., the records indicate that the plaintiff refused to go back to his assigned cell saying, emphatically, "I'm not going in that cell". After the plaintiff's refusal to follow the Corrections Officer's instructions, I was again contacted by Corrections Officer Moon and informed that the Plaintiff was refusing to go to the cell he was assigned. I instructed the Corrections Officer to prepare an inmate sanction and move the plaintiff to disciplinary lock down. At approximately 9:00 p.m., Corrections Officer Chancey instructed the plaintiff to pack for lock down pursuant to my order. The plaintiff became even more

argumentative but eventually complied with orders to go to disciplinary segregation. The plaintiff was in violation of Inmate Rule #11: No inmate will interfere with Sheriff's Department personnel, nor will they disobey an order or instruction given by Sheriff's Department personnel. The plaintiff was also in violation of Inmate Rule #12: No inmate will leave his/her authorized area. Inmates must roll into their cells when told to do so.

According to jail records, the plaintiff filed a Notice of Appeal for Inmate Sanction/Restriction on October 12, 2007. On October 14, 2007 plaintiff's appeal of the Sanction/Restriction was reviewed by Sergeant Turner who upheld the sanction stating as the basis for same that "you (plaintiff) were told to go into the cell and this is what you were supposed to do. Follow the rules." The records also reflect that on October 26, 2007, the plaintiff filed a grievance wherein he made numerous vague and non specific allegations. Even though the plaintiff directed the grievance to Sheriff Hughes, pursuant to policy, the grievance was sent to Jail Commander Keith Reed who responded to plaintiff's grievance instructing the plaintiff to file a separate grievance for each factual issue he wanted to have heard by grievance. The plaintiff filed no other grievances.

CIVIL ACTION NO.: 1:08-CV-33-MHT

AFFIDAVIT

STATE OF ALABAMA,

HOUSTON COUNTY.

Before me, the undersigned authority for administering oaths, personally appeared **Keith W. Reed** of the Houston County Sheriff's Department, who is the Commander-Jail Operations for the Houston County Sheriff, Houston County, Alabama, who being by me first duly sworn, deposes and says as follows:

I am Keith W. Reed and I am the Commander-Jail Operations of the Houston County Jail, Houston County, Alabama and have been employed by the Houston County Sheriff since March of 2007. My principal duties involve the administration of the Houston County Jail. Unless otherwise indicted herein, expressly or by the context thereof, I have personal knowledge of the facts and information contained herein. I make this affidavit after review of the plaintiff's jail inmate file and the subject matter of plaintiff's complaint in an attempt to address plaintiff's claims in this case.

The Houston County Jail, as a part of the Inmate Rules and Regulations, provides for an inmate Grievance Procedure. According to plaintiff's inmate file, the plaintiff filed one grievance that was vague and rambling and did not seek to have any specific situation addressed. I responded to that grievance instructing the plaintiff "please only address one issue per grievance form. As formulated this is not proper and cannot be addressed." The plaintiff addressed that grievance to the Sheriff but as the Sheriff is not personally involved in the day to day operations of the jail, the grievance was given to me pursuant to the Sheriff's standing order to do so.

I was not present in the jail when the events made the basis of plaintiff's complaint took place. According to jail records, the plaintiff was not in his assigned cell and upon being instructed to go to the correct cell, the plaintiff was not only argumentative but the plaintiff absolutely refused to obey direct orders to return to his assigned cell. Assuming for the sake of discussion only, that there had been some confusion related to the plaintiff's cell assignment, there was no excuse for the plaintiff not to follow the direct orders and instructions of the Corrections Officers on duty in the plaintiff's Pod that evening.

In my review of the situation made the basis of the plaintiff's claims, I found plaintiff's claims to be unsupported by the facts. I found no indication of cell assignment confusion but even had there been some confusion, the primary reason the plaintiff was placed on restriction and segregation was his refusal to obey the direct orders given to him by the Corrections Officers on duty.

In my judgment, this situation warranted more severe discipline than the Corrections Officers in their discretion chose to impose. The Corrections Officer on duty in consultation with Shift

Sergeant Kirksey, ordered that the plaintiff be placed on disciplinary segregation for three weeks. I reviewed the plaintiff's appeal and the appeal officers response and found the actions to be appropriate. I also reviewed and responded to the plaintiff's grievance. Also, as I do with all inmates in disciplinary or administrative segregation, I reviewed the plaintiff's segregation status once each week during the three weeks plaintiff was in disciplinary segregation.

The refusal of an inmate to obey a direct and lawful order of the Corrections Officers on duty puts at risk the safety of the Corrections Officers on duty who are often in the general population Pod day room areas of the Pods. Insubordination that is not addressed quickly may escalate into overall disruptive behavior of not only one inmate but of other inmates who perceive a general loss of control and discipline. In the instant situation, there were two Corrections Officers in the day room of H-Pod with approximately thirty (30) inmates. The loss of control of one inmate without immediate and demonstrated consequences could have and has in the past led to dangerous situations for Corrections Officers as they try to maintain good order and discipline in the jail.

The failure of the plaintiff to follow the instructions to return to his assigned cell also created the potential for other inmates to join the plaintiff's insubordination and thereby put at risk not only the safety of the two Corrections Officers but also the safety and security of the other inmates housed in the same Pod/cell block.

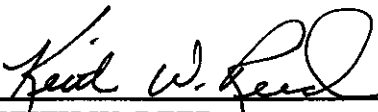

As a result of his disruptive and insubordinate behavior, the plaintiff was placed in disciplinary segregation for three weeks. Segregation whether for disciplinary or administrative reasons (e.g. protective segregation) necessarily results in the loss of certain privileges due to the nature of segregation in the Houston County Jail. Inmates placed in segregation, whether

disciplinary or administrative, receive the loss of similar privileges. The difference between administrative segregation and disciplinary segregation in the Houston County Jail is that inmates in disciplinary segregation also lose weekly general visitation privileges, loss of commissary privileges, loss of telephone privileges, loss of library privileges as well as the loss of the privilege to participate in other jail rehabilitative programs. Inmates in disciplinary segregation are permitted to practice his/her religion of choice, are provided necessary medical treatment, receive the same food as other inmates, are provided mail privileges and are provided other necessities provided to other inmates. Inmates in disciplinary segregation are also permitted visitation privileges with their lawyer(s) as are other inmates in the jail and are entitled to send and receive mail.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of the Inmate Rules of the Houston County Jail which contain the inmate instructions on filing a grievance are attached hereto as **Exhibit A** and are incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-301 of the Houston County Jail Policy and Procedure Directive relating to Inmate Rules and Regulations is attached hereto as **Exhibit B** and is incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-302 of the Houston County Jail Policy and Procedure Directive relating to Receipt of Inmate Rules and Regulations is attached hereto as **Exhibit C** and is incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of an Inmate Grievance Form available to and as provided to inmates is attached hereto as **Exhibit D**, and is incorporated herein by reference

as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-401 of the Houston County Jail Policy and Procedure Directive relating to Inmate Grievances is attached hereto as **Exhibit E** and is incorporated herein by reference as if fully set forth.

I am one of the custodians of the records maintained by the Houston County Jail. A true and correct copy of the plaintiff's jail inmate file, relative to plaintiff's most recent time of incarceration in the Houston County Jail, as maintained by the officers of the Houston County Jail in the ordinary course of the Jail's day to day business is attached hereto as **Exhibit F**, and is incorporated herein by reference as if fully set forth. The plaintiff has had numerous other previous incarcerations that do not relate to the situation made the basis of plaintiff's complaint.

Date Effective: April 24, 2005
Revision Date: April 25, 2005

Policy Number: E-303

POLICY:

In order to promote the institutional goals of health, cleanliness, safety and security in the Houston County Jail, it is the policy of the Houston County Jail that except as may otherwise be specifically provided for herein, all inmates, male and female, shall adhere to this policy. Male inmates shall have hair no longer than one inch from their scalp. Additionally, female inmates shall have hair no longer than collar length. There will be no special hairstyles permitted. Furthermore, there shall be no facial hair greater than one-quarter inch (1/4") in length and fingernails shall be clipped to the tip of the finger. Each inmate shall shower daily; this includes shampooing the hair and a change in clothes. Inmates in food service shall wear a clean set of whites daily.

PROCEDURE:

During the initial booking process, inmates with a set bond, but who are otherwise incarcerated over night, are not subject to the haircut requirement, but they shall not refuse a bath using a delousing soap and shampoo if required by the jail staff. Any inmate booked into the jail without a set bond shall have to comply with all requirements of this policy during the initial booking phase.

A schedule for compliance with this policy shall be set from time to time by the Jail Commander or Jail Administrator.

In the event an inmate wishes to have their haircut shorter, they must fill out an inmate request form and return it to the appropriate staff.

In an additional effort to prevent the spread of infection to other inmates and employees, every cell and holding area, including dayrooms, must be decontaminated using germicidal agents and steam cleaning the showers, floors and walls. This procedure must be done a minimum of once a week for every space in the secure areas of the jail occupied by an inmate, including the docket. The mats used for sleeping must be sprayed with germicide **weekly**.

To ensure this policy is being followed, the ranking Sergeant will perform inspections as may be necessary. Any inmate in non-compliance with this policy is to be reported to the Jail Commander or Jail Administrator and shall be subject to appropriate disciplinary action.

GRIEVANCE PROCEDURE

01. In the event that an inmate has a grievance, this inmate will send a grievance form to the Senior Corrections Officer, who will investigate and answer the grievance, and will settle this issue. If this is not possible, the Jail Commander may hold a formal hearing.
02. The Senior Corrections Officer will hear all sides of the situation with a written statement or witnesses, as appropriate and render a decision. This inmate will be informed of the decision in writing. Actions taken will be documented.

INMATE NAME: William Rollins HCJ#: 35564 POD: G-7

Date filing appeal: 1-11-08

On 1-9-08 2008, an Inmate Sanction/Restriction was written by Officer Trenwick

Charging inmate Rollins, with a violation of Houston County Jail Rules and Regulations # 1
Uniforms shall be worn at all times when an inmate is outside his/her cell.

The circumstances of the violations are: Rollins was said to be seen by officers Kersey & Trenwick walking with his whites on from the shower.

The sanction found me to be guilty/not guilty of a major/minor offense. Punishment was set at: 21 days lock down.

I wish to appeal the decision because: At that time I was directly in route to my cell so that I could turn in my oranges because the laundry was being taken to be cleaned (I made the effort to be respectful)

On the 15 day of Jan, 2008, an appeal of the Sanction/Restriction taken

against inmate Rollins was reviewed by Cmde. Reed, and

the following action was taken:

CO. Morris & Co. Kersey conducted this procedure

- 1) My cellmate has a bottom bunk profile and was awake the whole time while his mattress was made as specified in the handbook.
- 2) No announcement was made before hand advising each Pod in A-H of the bedcheck.
- 3) We (the inmates) have no way of being advised of these rules because no memorandum has been placed within the Pods for the security and benefit of each of the inmates (including me and my cellmate.)
- (4) I would like this sanction to be dismissed because the whole situation was not excessive enough to have lockdown restrictions for neither one of us nor does ~~the~~ it provide a basis toward relief of a means to adequately communicate this type of institutional policy. We need to be ~~on~~ briefed thoroughly not secondhandly when it comes down to privileges and policies.
- (5) P.S. Sgt Turner advised me to address this sanction to her which would explain the exact circumstances and my cellmate ^(+H) takes responsibility for ~~our~~ actions and I also am obligated to appealing these accusations.

At approximately 2000 hours I observed a discrepancy in the H-pod Cell assignments. The Assignment showed Im Rollins to be in H-6. Im Rollins was on the floor. When I asked him about this, He stated, "They told me to move". I asked Im Rollins who "they" was. He stated that he didn't know. I informed him to move back to that bunk. Im Rollins became argumentative. At approximately 2020 Im Williams stated to Co Chancey, "I'm not going in that cell". At 2100 hours, Co Chancey instructed Im Williams to Pack for lock-down per Sgt. Kiltsey & Sgt. Buchman. He became very argumentative and eventually complied.

Im Williams is in violation of Rule #11: No inmate will interfere with Sheriff's department personnel, nor will they disobey an order or instructions given by Sheriff's department personnel. Rule #12: No inmate will leave his/her authorized area. Inmates must Roll into their cells when told to do so. Females must be Seated on their bunks.

for a cell to be given cell 6. He didn't acknowledge to me at any time about who or when I was ordered to go to the cell and the record can verify that this ^{incident} occurred over 3 1/2 weeks ago and ~~I have~~ ^{say} been confirmed by officers and inmates in H-Bd that I have been on the day room floor the whole time since being moved from I-Bd.

I am being confined in lockup for violating something I had no authority to control. And it's prejudicial for me to be put in lockdown ~~an~~ while another inmate was also in violation for ^{improperly} ~~entering~~ an cell assignment and ~~not~~ ^{2thys} given any kind of reprimand or ^(equal) punishment. Furthermore

C/O Moon & Chaney knew that I could not move into the cell 6 until (the inmate's) like belongings of the inmate's were released to them because they were in church at the time and cell 6 was lockdown for security ^(which C/O Moon said) purposes.

- 3 shifts and 3 1/2 weeks I have been on the Floor without a cell and this can be shown!

I did not refuse any order given and you have to apply ~~your~~ ^{the} rules the way they apply to policy. I could not ~~be~~ ^{be} left ^(Worrell into) an authorized area or disobeyed an order by personnel if the area itself is "contaminated" and has to be ~~some~~ regulated beforehand to be functional.

PS I did not say I didn't know who told me move. I told him that I didn't know his name and I didn't find this out until a trustee told me - after I had ask C/O Moon and C/O Chaney to tell me his name.

NARRATIVE: On 7/26/07, at approx: 0656, C/O Moore and myself went into N-POD to pull lockdown mats in cell (N-14) and came back downstairs and C/O Moore seemed to be having a problem with cell (N-9). When I came over there C/O Moore explained to me that the inmates in cell (N-9) claimed they didn't have mattress covers. C/O Moore noticed that inmates Rollins had a bulge in his oranges around his back and I made him strip them off. When inmate Rollins pulled his oranges down I pulled his mattress covers out. I/M Rollins began beating on his door after we left and yelling for me to come into the cell so he could "kick my ass". I informed I/M Rollins that if he beat on the door again that he would be tased. As soon as we left his cell he again began beating his cell and yelling cuss words. C/O Moore and myself opened his door and I tased him. I/M Rollins was not dropped by the taser and he came out charging C/O Moore and myself. I got rid of the taser due to being wrapped up in the wires and being shocked. I pulled out my ASP and tried to take out his legs as we were trained but, could not get a good hit with it without hitting C/O Moore. I threw the ASP away and C/O Moore and myself took I/M Rollins to the ground. I/M Rollins kept trying to fight so he was capstuned by me. Sgt. Marsh, Sgt. Bonin, C/O'S Athey, Downs, and Russell soon arrived and helped to secure him. EOS

** Inmate Rollins is willing to take Sanction #6, but is wanting

the circumstances surrounding the incident before the
 shutdown escalated into a conflict with Co Jackson &
 CO Culver. I was deprived of not only hygiene items
 that she (Co Jackson) had no intention of listing but
 also medication that was issued to me. (refer to nurse
 about this) The bags both which were commissary
 & plastic garbage bags were a combination of trash
 left behind by me ~~ex-~~ cellmate Jimmy Brown &
 bags that I used to keep my property in because
 I had no box to put them in underneath the bunk.
 To put it straight the property I had was provided
 and accessible and my actions were in
 compliance because the items were ^{never} ~~pre~~warned
 to be a security risk or nor can my area that was
 in my immediate control be said to be a misuse
 of standards authorized by ~~the~~ the policy makers.
~~The~~ The order to step outside the cell was not meant
 to be a refusal but I was doing what I ~~was~~ thought
 and have experienced in the past. Being allowed to
 observe this inspection without any barriers is
 a fundamental right in this sort of procedure. This
 concept no one in this administration can deny or has the
 authority to deny. I also would like to let
 the party reviewing this to know I've been subjected
 to lockdown each and every time my name comes
 up and in none of the previous sanctions have
 I've been given an ~~opportunity~~ ^{be} to test for ~~is~~

inmate trying to understand the rules because I had put the razor officer Galt issued me in a secure area but when I returned it was gone. Off Lancy had no knowledge of what might have happened to the razor itself because he didn't make an attempt to follow up and investigate what I said concerning the razor. It would be kind of senseless for me to purposely lose a razor and still run the risk of me being found in possession of it while being inspected for contraband in lockdown or before being put in lockdown. I can only give my account of what happened (*Point 2 At no point in time was I informed that I should write a grievance or request to the acting Sgt on duty by Officer Lancy) I was actually getting prepared to shave when officer Lancy told me that there was no need for me to shave or anything when I'm was going to lockdown" which shows he was bias ~~at~~ during this incident. I never shown any disrespect, but when a person looks over you and places a burden in your way making it hard to be considerate the door can be opened to anything. The situation as a whole could have been handled more professionally. I'm not guilty of this sanction the razor was stolen. (Never found the razor on me nor did Officer Lancy make a physical search of inmate Rollins to confirm any aspect of this action.

but an unwillingness toward people speaking and interfering in my personal life. (This is just one of the main reasons I didn't think I should have been put in that particular cell. I realize the policy has definite terms that we as inmates are to abide by but I just wanted the administration (Officer Galt who I initially addressed) to know that I really felt that this was not an appropriate place or time for me as wanting to change my way to be placed in such a radical position. I'm not saying it's completely a mental thing either. I just been through a lot and I was real comfortable in the day room since I came to B-Pod April 12). Since I've been in B-Pod I've been deliberately overlooked or denied access to a cell several times when I know (and the officers assigning the cells obviously should have known) I was in line for the next cell assignment. Me and my property was already inside the cell when I made my request not to be issued ~~the~~ Cell 7 and I never can be said to have removed myself or my property from that cell until C/O Laney said to get my stuff but I was under the assumption that ~~they~~ he knew my discrepancy. The time sequence (7:40 AM) speaks for this because all ~~the~~ things I'm referring to transpired before roll out time at 8:30. I was not intentionally disrespecting or interfering with authority. I was merely protecting my safety which is why I know Off. Laney (or Sgt Turner) didn't properly address this incident from its outset seeing how there were others banged in the day room area who were willing to be put in a cell considering the overcrowded conditions. Maybe I didn't have a choice but "Discretion" to take the necessary steps ~~is~~ is in the officer's hand not in ~~me~~ mine. I'm incarcerated.
